TIMARON 1985

Middleborough
High School
Middleborough, Mass.

Magic. A word which describes the class of 1985. There is a magical illusion of two separate pieces, yet in reality, they belong to the same body. The two pieces are like the members of our class - separate, yet belonging to one body - the Class of 1985.

We are the magicians. We create magic. From fund-raisers, like ghost walks and car washes, to first prize winning floats, to Washington DC, we are successful! But, like magicians, we work hard to create this illusion. So, let there be no doubt - the Class of 1985 has the magic touch!

IN MEMORY

KEVIN RIDEOUT

In the fall of 1982, the Class of '85 returned as Sophomores having suffered a tragic loss - our classmate, Kevin Rideout, had died in an unfortunate car accident the previous summer. Now, in our Senior year, as graduation approaches, we shall pause a moment to remember Kevin. Although he cannot be with us at this time, a part of Kevin lives on in the hearts of each and every one of us - this very special member of the Class of 1985.

LOUIS TRINQUE

On September 27, 1984, Middleborough High School lost a long-time friend, Mr. Louis Trinque. Mr. Trinque had worked at MHS as head custodian since its opening in 1972. Previously he had been employed at the Independent Nail Company and Plymouth Shoe. He graduated from Middleboro Memorial High School in 1948 and served in the Korean War from 1951-1953.

Mr. Trinque was a life-long resident of Middleborough and he and his wife Shirley brought up their son, Paul, here. Mr. Trinque was often heard talking about his granddaughter, Lindsay, as all proud grandfathers do.

Because of his interest in students and sports, Mr. Trinque was often seen at Sachem sporting events. He assisted as the gate at football games. His concern for the high school and all the people involved with it were a shining light in the high school.

Mister Trinque was a pillar of Middleborough High School. We remember his presence, concern for others and friendly ways. We are saddened by his untimely passing away and will always think of "Louie" as a large part of what MHS is all about.

SENIORS

We are the magicians. Each one of us is magical in his own special way. Throughout the years we have grown together and witnessed the changes that have taken place among us. Though each of us has his own individuality, we stick together like magic when things have to be done and problems have to be solved. We look out for one another and we help out one another.

Our class - the Class of 1985 - has all these magical qualities and many more. But our main magic comes from the caring that we have for one another.

MICHELLE LEONARD ATTENDS NATIONAL STUDENT COUNCIL CONVENTION

Throughout high school I have had the opportunity to get involved in student government. While I was serving as Class Treasurer Sophomore year, I learned the ropes, which helped a lot for when I served as Class President Junior year.

At the end of Junior year, I was elected to the Regional Student Advisory Council, and for Senior year to the

State SAC. Both councils deal with students' rights and laws pertaining to students.

Student Council had also been a big part of my high school career. At the end of Junior year, I was elected SE Mass Assoc. of Student Councils Treasurer. While in high school, I have attended eleven student council workshops on the regional, state and national level, ranging from one day to one week in length.

The most exciting of all was the National Assoc. of Student Councils Convention, held in Coventry Rhode Island. The day before, Patty Caffrey and I served as hosts to the Wisconsin delegation at Mass Maritime. I stayed with a host family along with three other girls from different areas of the country. During my five day stay, I met people from all

over the US, Canada, and Puerto Rico. Meeting people and sharing ideas is a lot of what student council is all about. I have made friends from all over the country that I'll never forget.

If I could relive my high school days; I think I'd do it exactly the same way; getting involved and meeting people.

One of the many beautiful Swedish castles

I spent my Junior year in Osby, Sweden. Osby is a small town of about 8,000 and is located in southern Sweden. During the year I lived with two host families who I liked very much. I also made some very good friends.

The school I went to had about 100 kids and was similar to college here. Although I had to go to school, I still had time to do a little traveling. I went to Austria, Denmark, and Germany. I also visited the capital, Stockholm, several times. A few of my most memorable experiences were the Nobel Prize ceremony, a Swedish Christmas and a Swedish "midsommar" holiday.

It was a really good year!!

Washington DC '84

During April vacation of our Junior year, many members of the Class of '85 journeyed to Washington to see the sights, learn some history and have a good time. Highlights included a wreath ceremony, a dance cruise and touring Washington's famous and historic sights.

Everyone involved had an excellent time. Before we knew it, the week had ended and we were homeward bound - exhausted but still excited about the memorable week we had just spent.

FACULTY

During our four years here at MHS, the Class of 1985 has come to realize the true quality of its faculty. It has helped us grow and learn over the years. From the guidance and knowledge of the staff, we have learned to create magic. Throughout the years we have been the apprentices; we are now ready to be the magicians. The Class of 1985 not only thanks its faculty for the enchanted spell it has cast upon us, but also for the care and knowledge which have been so important a part of all that we have acquired as students.

This yearbook is dedicated to Mrs. Marian T. Whipple who retired in December. Her expertise as a teacher and her wit have left a lasting impression on countless students.

Mrs. Whipple was born in Middleboro and has lived most of her life here. She went to Colby College in Maine and was given a special scholarship to attend Yale University for a year, back when no women were allowed to attend. She taught for a few years in Marshfield and Peterboro before she began teaching in Middleboro Memorial High School in 1957.

As a teacher, Mrs. Whipple had the amazing ability to make history come alive for all her students. She made learning about our country and the world interesting and enjoyable.

Mrs. Whipple plans to spend her retirement traveling and writing. She plans to eventually prove that the Vikings first landed in Plymouth, Massachusetts and also plans to write about her travels to Newfoundland and Labrador. She is also hoping to finish writing her family's history.

Mrs. Whipple was a wonderful teacher who had the magic touch of making history exciting. We will all miss her and wish her the best of luck for the future.

1985 Yearbook Message

There are a thousand "can't be doner's"
For one who says, "It can".
But the total roles of deeds that count
Is done by the latter clan.
For the "can't be doner's" grumble,
And hamper oppose and doubt
While daring people who say "it can"
Proceed to work it out.

Oh the "can be's" clan is meager,
Its membership is small
And mighty few see their dreams come true
Or hear fame's trumpet call;
But it's better to be a "can be",
And labor and dream and vie,
Than to be a can't be doner
Without the pluck to try.

Lincoln D. Lynch, D.Ed.
Superintendent of Schools

Although the sports of MHS are varied and separate they each contain one common quality which has given them the same magic as the Class of 1985 possesses. That quality is the fact that there are no Freshmen, Sophomores, Juniors or Seniors on any of the teams; only team members! Of all things a team needs, this is the most important. A sport is a sport no matter what, but a team, a real team, is more like a family, and that is what we've got. No matter what their records may have been, no matter how many times they've won or lost, the teams at MHS have been close knit and have been able to have fun. And that's what playing a sport is all about: having a good team competing with peers.

INVOLVEMENT

The past four years have shown that the Class of 1985 has magic in many fields. Our interests are as varied as our classmates. Musical magic abounds. Drama, student government, activities and community involvement have all felt the effects of the Class of 1985. The trend setting accomplishments of our many talented and dedicated classmates have set a nearly unsurpassable standard for future classes to emulate. Our magical imprint will remain at MHS for many years to come.

Coronation Dance

The Court

Shari Hague, Donna Tocci, Danielle Desrosiers, Kerry Carbone, Pam Simmons, Sherie Edwards, Sandy Lindgren, Judy Bernabeo, Barbie Kendall, Tracy Mann, Lisa Michael, Tammy Kraus, Jill Lipson, Robin Roberts

As the 1984 football season drew to a close, tension mounted. The big question in the corridors of MHS was "who will be the Football Queen?" Finally on November 16 came the Coronation Dance, sponsored by the Senior class. The question still plagued the couples on the floor and those scattered around the cafeteria as they listened to Joe's Jukebox. The fourteen lovely members of the court - Shari Hague, Donna Tocci, Danielle Desrosiers, Kerry Carbone, Pam Simmons, Sheri Edwards, Sandy Lindgren, Judy Bernabeo, Barbie Kendall, Tracey Mann, Lisa Michael, Tammy Kraus, Jill Lipson and Robin Roberts were escorted into the cafeteria to await the decision. Judy Bernabeo made a lovely queen!

Someone once said about the members of the Class of '85 that we "have the Midas Touch"; everything we touch turns to gold. Looking at the success of our class, this statement appears to be true. The Class of '85 has earned more money in its Freshman and Sophomores years than any previous class at MHS. Every activity sponsored by our class, as diverse as a Junior Mister Pageant or the class trip, has been a success. The fact that the Class of '85 continues to succeed under different officers every year proves we have a multitude of leaders to organize numerous hard working members.

However, the secret to the magic of the Class of '85 involves much more than just diligence and leadership. The key to the success of our class is that we enjoy being together and working together toward common goals. The Class of '85 may have the "Midas Touch", but more importantly we have the touch of friendship.

SPEECH & THEATRE WORKSHOP

The members and sponsors of The Speech and Theatre Workshop would like to express their appreciation for all the hours of creative energy which this special group of seniors has expended in the drama program over the past four years. Memories of *Anne Frank*, *Arsenic and Old Lace*, *The Crucible* and *A Man For All Seasons* are a rich legacy which you have left behind to emulate. The performances of "That's Entertainment" added to the "magic". The enthusiasm, dedication, humor and talent which the Class of 1985 will take with it will be hard to replace. We hope that you will "all be Stars."

Sincerely,
Mrs. Osborne

COMMUNITY

Our sincerest thanks and gratitude go out to the fantastic people of the community, without whose help we would never have been able to make our magic. They have helped us throughout our school years by going to our car washes, visiting our haunted houses, cheering at our games, as well as giving to our endless fundraisers. Their support has given us a firm base from which to embark on our future endeavors. We thank you.
